**Junior Discoveries** - Campers age 3 through rising Kindergartners enjoy daily swimming, creative play, storytime, and more. Baker's self-contained, play-based model of Early Childhood extends into our Summer. We offer both half-day and full-day options for our littlest campers.

**Baker Bees** - Our little bees are just about ready to fly to 1st grade, but still enjoy our play-based learning activities of Early Childhood. Our new Baker Bees program gives rising 1st graders the chance to participate in swimming, arts & crafts, and sports & games just like the big kids, while still allowing time for free play and exploration in their very own 1st grade classroom.

**Morning Discoveries\*** - Campers entering 2nd through 8th grade spend their days swimming, playing sports, and getting creative in our art studio. Each week, we offer a hands-on, engaging Morning Discovery based upon one of our four themes (STEM, Art & Drama, Sports & Movement and Nature & Culture). Campers explore and learn with our highly qualified Discovery leaders each Monday through Thursday, and end the week with a trip to the nearby beach and an afternoon of Fun Friday activities.

**STEM** - With a focus on science, technology, and design, these Discoveries are hands-on and experiential. Past STEM Discoveries include Coding, Grossology, CSI Baker, and Myth Busters.

**Art & Drama** - Our campers are full of creativity and our Art & Drama Discoveries are designed to let their imaginations soar. Past Art & Drama Discoveries have included Studio Art, Song Parodies with Mudlark Theatre, and Short Shakes.

**Sports & Movement** - These Discoveries are great for our energetic campers! Past Sports & Movement Discoveries have included Yoga, Sports Combo, and Baker Basketball.

**Nature & Culture** - Campers learn about the world around them through crafts, games, and outdoor adventures. Past our Nature & Culture Discoveries have included Global Games and Nature Explorers.

\*2020 Morning Discoveries topics coming soon! Our current schedule is subject to change.

**Counselor in Training** - New for 2020, our Counselor in Training program is designed for rising 8th and 10th graders who would like to gain work experience, earn volunteer hours, and enjoy the company of our littlest campers. Supported by experienced counselors, CITs swim, play, read, and explore with campers, all while learning valuable job skills.

**NEW FOR 2020**

- Cost saving 4 and 8 week camp packages.
- Extended Swim, Sports & Games, and Arts & Crafts times to allow campers more time to enjoy some of their favorite camp activities!
- Baker Bees - a program designed to meet the unique developmental needs of our rising 1st grade campers.
- Counselors in Training - an opportunity for rising 9th and 10th graders to earn valuable work experience and volunteer hours by working with our younger campers.

## RETURNING CAMPER FAVORITES

- Engaging, hands-on Morning Discoveries led by experienced teachers.
- Arts & Crafts, Sports & Games, and Swimming every week
- Fun Friday pizza party, giant slip 'n' slide, and field games.
- Weekly kayaking for campers entering 4th - 8th grades, and Friday trips to the beach for campers entering 1st - 8th grades!
