Transfer Students

Students Attending an Illinois School for the First Time

All students attending an Illinois school for the first time must submit a current physical exam form. Out of state/country health records must be on a State of Illinois Certificate of Child Health Examination Form or comparable form dated within one year of the first day of school. Students K through 8 attending an Illinois school for the first time must submit an Illinois Eye Examination form. The eye exam form is due on the first day of school. Kindergarten, second, and sixth grade students attending an Illinois school for the first time must also submit an IDPH Proof of School Dental Examination Form. The dental exam form is to be submitted no later than May 15, 2017.

Students Who Have Attended an Illinois School

Health records transferred directly from the most recent school can usually be accepted. Health documents are to be transferred from the previous school by August 1, 2017. See above requirements if the student is entering Kindergarten, Second or Sixth grade.
