

Welcome

Dear Baker friends,

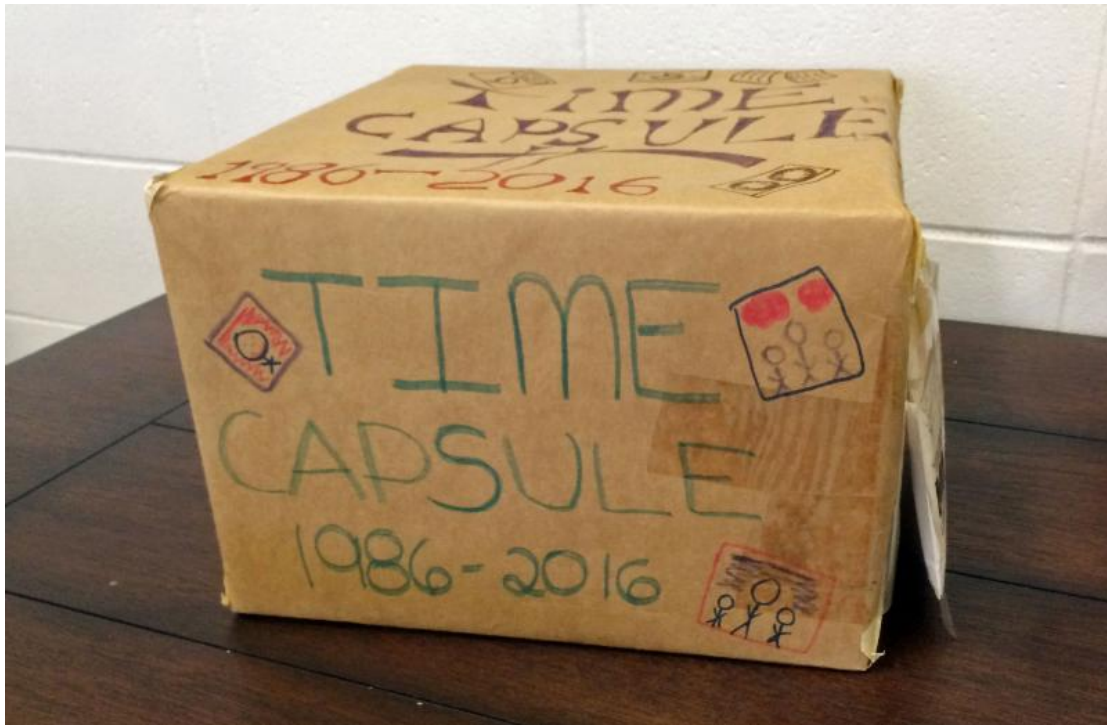

Welcome to the second edition of our monthly email newsletter, designed to help alumni, alumni parents, and friends of Baker stay connected to our school! We look forward to sharing exciting things happening at Baker, innovations in progressive education, and fun school events for you and your family. We hope you will enjoy staying engaged with the Baker community and with one another.

Thank you for your ongoing support of our students and teachers!

Sincerely,

[Gena Johnson](#)

Director of Advancement and Alumni Relations

Spring Fling & Time Capsule

We found a 30-year-old time capsule hidden by the Class of 1986! Come see what's inside when we open it this Sunday (April 17) at our inaugural Spring Fling and help us dedicate a new time capsule to be opened in 2046.

Reconnect with classmates and teachers, tour your favorite spots on campus (and

see what's new!), and enjoy food and drinks, crafts, and activities for all ages from 12 to 2 p.m. All Baker families, friends, and alumni are welcome!

Please RSVP to alumni@bakerdemschool.org.

A Fuller View of Success

In the rush for success, we can lose the whole child, pursuing a two-dimensional view of success. Head of School Dan Schwartz explains how at Baker, we focus on the possibilities in every child, helping each to reach new horizons, growing toward the future.

Celebrating High School Acceptances

Baker's graduating eighth-graders had some very exciting options as they made their high school decisions this spring, after gaining admission at many of the best public and private high schools in Chicago and the North Shore, including all of the selective enrollment public high schools on Chicago's North Side.

Student Voices Take Center Stage

Months of hard work and creative introspection came to artistic life in Carlson Theater as Baker middle school students presented "Totally True Tales," a series of personal stories of home, adventure, trouble, mishaps, and triumph.

Summer Discovery Camp

Baker Summer Discovery Camp is designed to spark the imagination and engage the intellect while also offering an equally important dose of fun and physical activity. Check out what's in store for this year!
